I am looping in Natalie Loney, Community Involvement Coordinator for the site. For tracking purposes and transparency, all communication with EPA officials should be coordinated through Natalie and Doug Sarno (also copied on this message).

Thanks,

Pat, Good Morning

Thank you for responding.

We look forward to meeting you.

I will reach out to the members of the CAG later today and ask what questions they would like to have you address and will forward those to you in advance of our meeting.

Meanwhile, based on comments from the recent Land Use Committee meeting your Administrative Order with the City and the Public Place resolutions came up.

Please feel free to reach out to me if you have any questions.

Subject: Please make your calendar: CAG General Meeting Invitation

Hi Pat,

Thank you for sharing your correspondence with the CAG.

At the last CAG General Meeting it was discussed with Natalie that we would like to invite you to our upcoming meeting. Just in case Natalie did not have an opportunity to discuss this with you, I would like to extend an invitation to you for our upcoming CAG General Meeting which is taking place on Tuesday, July 27 at 6:30pm.

Since we're still meeting remotely via Zoom, I hope you can join us.

Best regards,
